Center Belt Nest

Ordering Instructions:

Center Belt Nest can be ordered for either Cloth Belt or Plastic Belt. (Nests are 5' long).

Order the appropriate Egg collectors. Order a collector with a 3/4 HP motor for houses 500' and longer.

Order Optional Light Kit when needed.

Cloth belt collectors are ordered with one part number which includes the return belt rollers.

Plastic belt collectors are ordered using (5) separate part numbers.

When ordering center belt nest, after determining the number of nest needed, order in multiples of boxes of 10 for the larger quantity and finish up with boxes of 2. Part numbers that end in "P" are for plastic belt nest and have embossed egg trays.

Order the correct number of rolls of belt (either Cloth or Plastic) by figuring the length of nest & aisle trays in one row and multiplying that number times two. Remember to order one roll per each row of nest.

Order the correct size and number of aisle trays needed. (1 per opening between nests groups) Typically, longer aisle trays are ordered for the center of the house for ease of walking from one side to the other.

Plastic belt aisle trays have embossed holes for trash removal.

Calculate the number of nest pad need. For most pad, order in multiples of 100 and either round up to the next box or order single pads to complete the quantity needed.

Order perch board assemblies if required.

Nest Closure Kits are also available if needed.

Front Belt Nest

Ordering Instructions:

Front Belt Nest can be ordered for either Cloth Belt or Plastic Belt. (Nests are 8' long).

Order the appropriate Egg collector. Order a collector with a 3/4 HP motor for houses 500' and longer.

Order Optional Light Kit when needed.

When ordering front belt nest, after determining the number of nest needed, order in multiples of boxes of 10 for the larger quantity and finish up with boxes of 1. Part numbers that end in "P" are for plastic belt nest and have embossed egg trays.

Order the correct number of rolls of belt (either Cloth or Plastic) by figuring the length of nest & aisle trays in one row and multiplying that number times two. Remember to order one roll per each row of nest.

Order the correct size and number of aisle trays needed. (2 per opening between nests groups) Typically, longer aisle trays are ordered for the center of the house for ease of walking from one side to the other.

Plastic belt aisle trays are embossed for trash removal.

Calculate the number of nest pad need. For most pad, order in multiples of 160 and either round up to the next box or order single pads to complete the quantity needed.

Nest Closure Kits are also available if needed.
